

STEP 1

Once you visit the link, click on the download button.

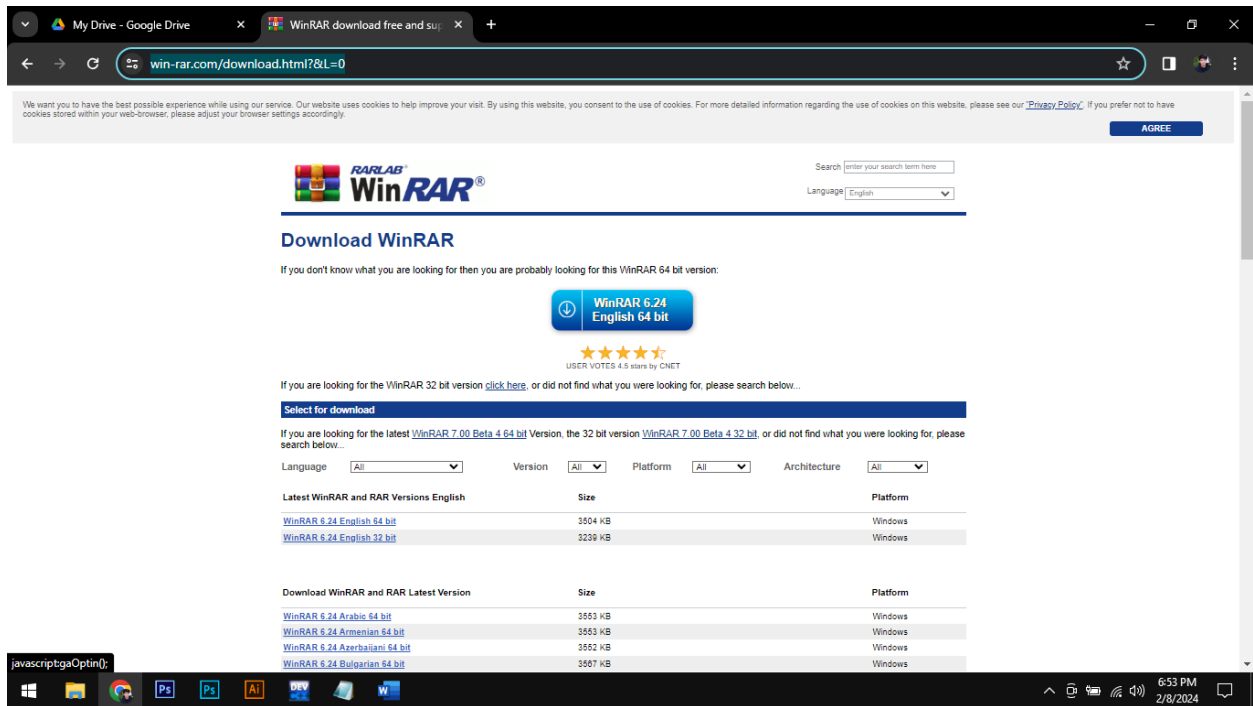

Step 2

You will see this type of file; it indicates that this is a compressed file.

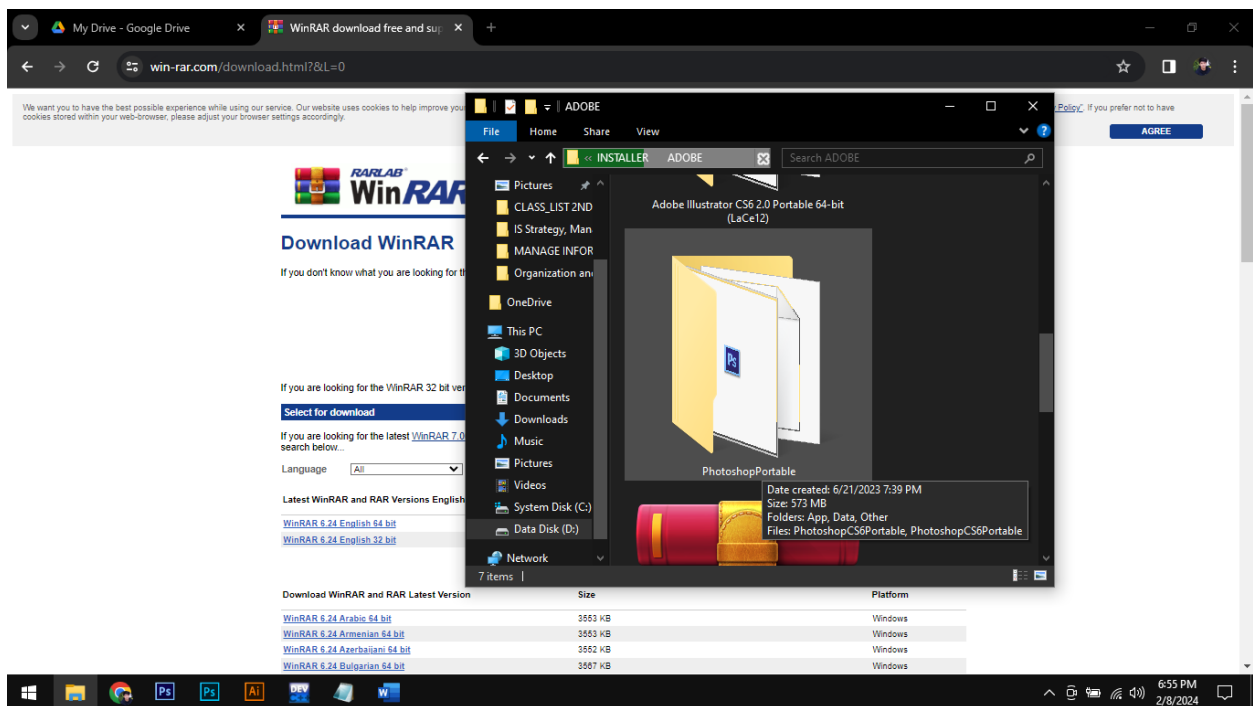

Step 3

If you don't have the WinRAR application, go to <https://www.win-rar.com/download.html?&L=0>. Click on the download button and install it.

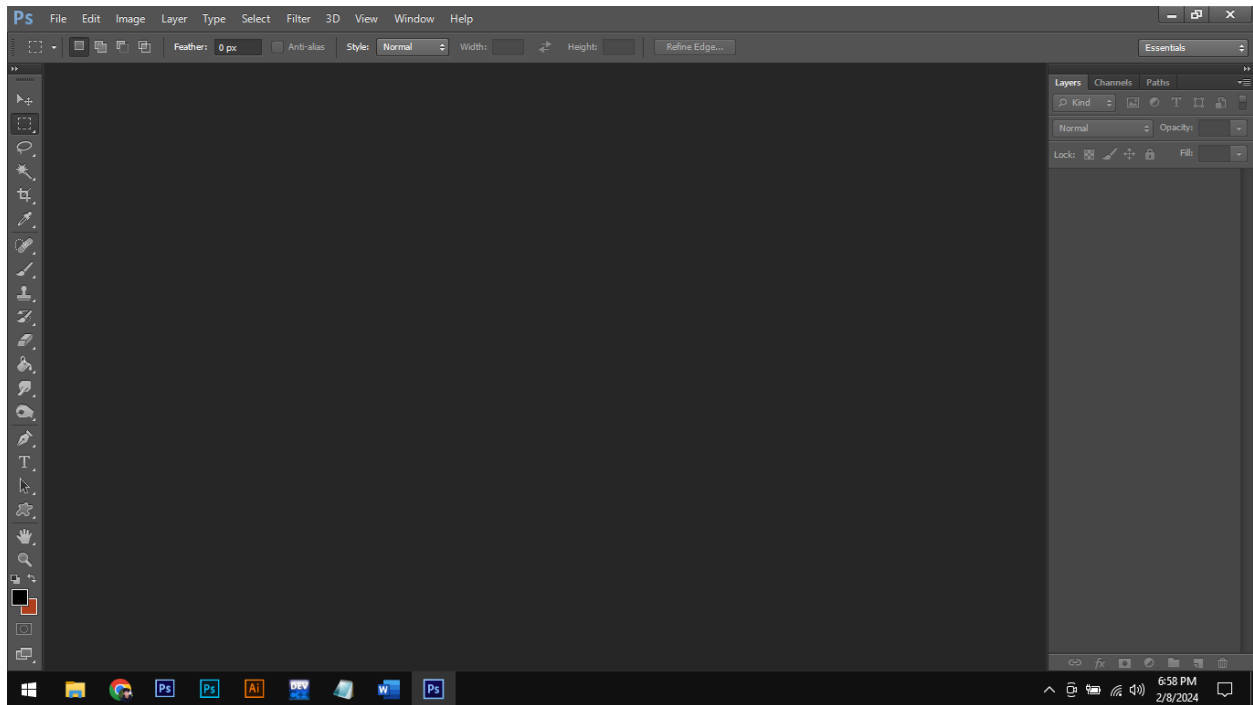

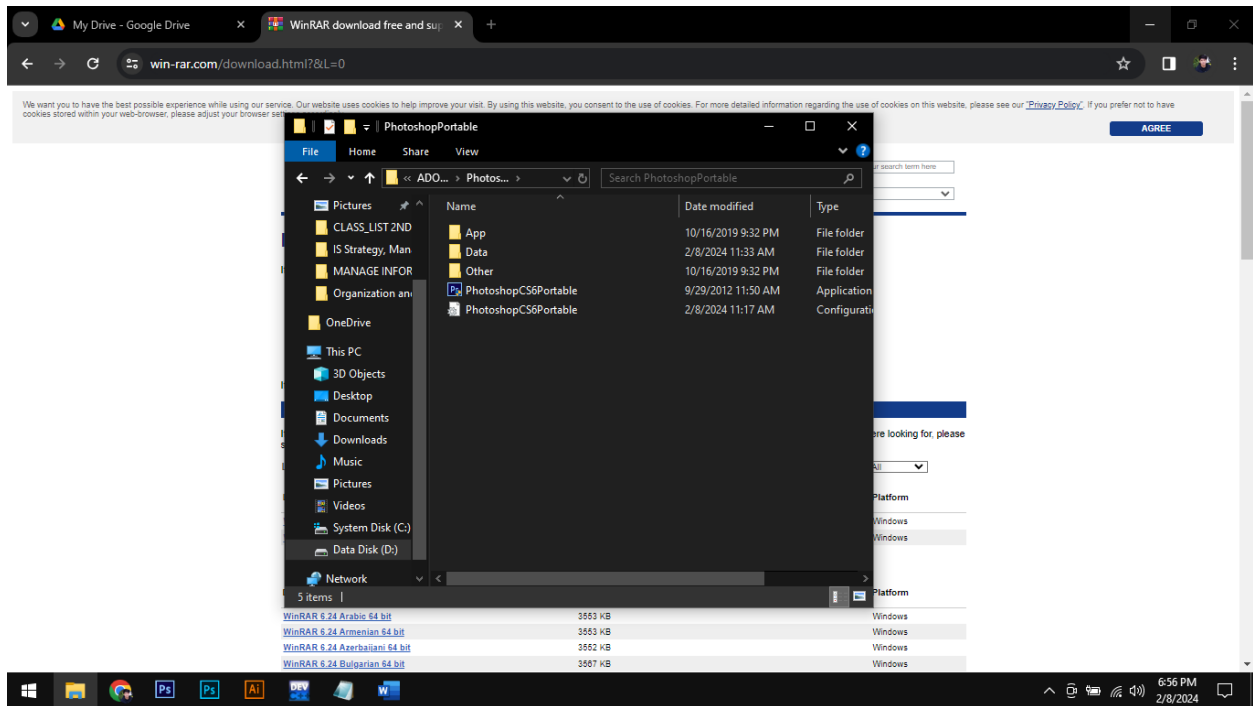

Step 4

Once you unzip the file, it will look like this. Open the folder.

Step 5

After you open the folder, you will find the PS icon. Double-click the icon, and it will pop up a dialog box. Click YES. Finally, you can explore the software.

THANKS! \m/
